# Corporate Relocation Services

At Own Sweet Home, we make an employee's transfer a most pleasant experience. We work with corporations as well as individual professionals by providing the resources needed to settle at a new place. We pay close attention to details that make transferees feel instantly at home. From thorough information on the local markets, temporary housing, schools, area culture and recreation to personal tours of the area, our service is designed to eliminate little headaches and keep the transferee happy.
